

ApHC UK SADDLE LOG SCHEME

Conditions of Entry:

This scheme is aimed at members who simply enjoy hacking out and participating in organised pleasure rides. Schooling sessions, competitions, clinics or similar type activities can not be counted towards hours in the saddle. If any doubt then, please contact Tim on 01824 750463 for clarification.

It must be the same horse and rider combination per entry. It is completely free to enter and all it takes is a little jotting down of the date ridden and the number of hours in the saddle. The details section of the form is for interest purposes only, just briefly note down the area you rode in that day for example – local bridleways around home or pleasure ride around Peak District or hack through housing estate etc.

Awards will be given for the number of hours accumulated in the Award Year which runs from 1st November through to 31st October each year and winners will be announced and presented at the AGM in late November.
