NOTIFICATION OF IMPLANT OF A MICROCHIP

The Appaloosa Horse Club UK must be notified immediately if a microchip is inserted into any horse passported with us. If the owner at the time of the implant is the owner formally recorded on the passport there is no fee for updating the microchip number. If the owner at the time of implant is not the owner recorded in the passport, then a transfer of ownership form must be completed along with this implant form and the normal transfer fee will be payable. Please refer to the website for current transfer of ownership fees.
